

More Choices at Home!

enjoy a freshly cooked hot meal delivered to your door for just \$6.50

Current meal choices are:

Chicken pie with vegetables
(contains gluten, dairy) (gluten free option available)

Lasagne and salad (contains gluten, wheat and dairy)

Roast pumpkin and feta macaroni and cheese (contains gluten, dairy) (gluten free option available)

In response to COVID-19 the government has recognised additional support to older members of the community, for access to nutritional meals in their own home.

This means that each week, on Tuesday and Thursday, you can have a freshly cooked hot meal from Café Connect delivered direct to your door. This is in addition to the large variety of frozen meals that Choices at Home can provide.

No cash payment is required at time of delivery; a monthly account will be sent from Choices at Home, so you must be registered with My Aged Care.

All food safety standards and infection control measures are maintained. Your meal will be delivered over the lunch period, hot and ready to eat immediately or to place in the refrigerator for later.

To assist with hot meal demand, please place your order at least two days before.
