The Organisation

LiveBetter is an organisation formed through an amalgamation of several like-minded, regionally based community service organisations that recognised the need for specialist service provision for the people of regional Australia.

Delivering a range of aged, disability, carer, child & family, mental health and clinical services, LiveBetter takes a holistic approach to working with customers seeking to ensure that customer needs and preferences are met. As well as service delivery LiveBetter assists customers with information, linking and referrals.

The major organisations that merged to form LiveBetter are CareWest [Central West, Orana, Far West, Northern and Riverina Murray regions of NSW], Excelcare [Central Queensland], Age Concern [Albury NSW], Family Link [Wagga Wagga NSW], There4U [Central Queensland], Home and Community Care services [Broken Hill], Translinc [Central West NSW] and Nambucca Valley Phoenix [Mid North Coast NSW]. Several other organisations had previously amalgamated with CareWest over the past ten years.

LiveBetter and its antecedent organisations have undergone a period of significant growth, with continuing growth in staff numbers, service capacity and diversity and geographic spread. To support this growth, LiveBetter invests heavily in corporate infrastructure and management systems as well as staff training and development.

LiveBetter employs approximately 1500 staff operating in offices, homes, preschool, respite centres and community hubs across regional and rural Queensland and NSW. Working alongside our staff are more than 250 volunteers who provide extra support and services to our customers and communities. Our annual revenue is now more than \$90 million with strong growth forecast.

LiveBetter is positioned as one of the largest regionally-based providers of community services in Australia. Although we are a large organisation, we remain focused on ensuring programs and services are provided by local staff, and tailored to the individual needs of local people and communities.

Our Purpose: Enabling the people in regional rural and remote Australia to live their best lives.
