Disability Support Worker

The Organisation

LiveBetter Community Services is an organisation formed through an amalgamation of several like-minded, regionally based community service organisations that recognised the need for specialist service provision for the people of regional Australia.

Delivering a range of disability, aged, carer, child & family, mental health and clinical services, LiveBetter takes a holistic approach to working with customers, seeking to meet their needs and preferences. We also assist community members with information, linking and referrals.

The major organisations that merged to form LiveBetter are CareWest [Central West, Orana, Far West, Northern and Riverina Murray regions of NSW], Excelcare [Central Queensland], Age Concern [Albury NSW], Family Link [Wagga Wagga NSW], There4U [Central Queensland], Home and Community Care services [Broken Hill] and Translinc [Central West NSW]. Several other organisations had previously amalgamated with CareWest over the past ten years.

LiveBetter and its antecedent organisations have undergone a period of significant growth, with continuing growth in staff numbers, service capacity and diversity and in geographic spread. To support this growth, LiveBetter invests heavily in corporate infrastructure and management systems as well as staff training and development.

LiveBetter's annual revenue is in excess of \$100 million. 80% of revenue comes directly from Commonwealth and State Government funding, with service user contributions and revenue from commercial activities making up the balance.

LiveBetter has around 1,700 staff and 300 volunteers operating homes, day centres, respite cottages, offices and community hubs across Central Queensland and regional NSW.

LiveBetter is positioned as one of the largest regionally-based providers of community services in eastern Australia. LiveBetter remains focused on ensuring programs and services are provided by local staff, and tailored to the individual needs of local people and communities.

Our Purpose: Enabling people in regional Australia to live their best lives
