Youth Support Worker OOHC

The Organisation

For over 35 years, LiveBetter Community Services has been delivering specialist service provision for the people of regional Australia. We are a not-for-profit organisation, originally formed through an amalgamation of several like-minded, regionally based organisations, with our head office based in Orange NSW and around 50 homes, day centres, respite cottages, offices and community hubs across Central Queensland and regional NSW.

Currently we deliver more than 80 customer-focused service programs across the aged care, disability, community development, child and family, Out of Home Care, clinical and mental health sectors, from offices and facilities in more than 45 communities. We employ more than 1600 people and 400 volunteers and in the last 12 months we provided care and support to more than 13,000 individuals and families living in regional, rural and remote communities.

Focusing on support in the home, and connections to the community, our approach to service delivery is to work with our customers in a holistic manner, seeking to meet their goals, needs and preferences. We also assist community members with information, linking and referrals.

As the need for community services remains strong, LiveBetter continues its significant growth, with steady growth in staff numbers, service capacity and diversity and in geographic spread. To support this growth, LiveBetter invests heavily in corporate infrastructure and management systems as well as staff training and development.

LiveBetter's annual revenue is more than \$100 million. 80% of revenue comes directly from Commonwealth and State Government funding, with service user contributions and revenue from commercial activities making up the balance.

LiveBetter is positioned as one of the largest regionally based providers of community services in eastern Australia. LiveBetter remains focused on ensuring programs and services are provided by local staff and tailored to the individual needs of local people and communities.

Our Purpose: *We inspire possibility by giving people access to support in their chosen community*

Our Mission: *By connecting capable, passionate and caring locals with those who need support*
